VICTIM OF AN AUTO DRIVER, NORTH CHARLEROI MAN IS DEAD

CLEM PIREAUX IS DEAD OF INJURIES

Highland Avenue, Lock No. Four Resident, Victim of An Unknown Autoist, His Passing Occurring Last Night at Local Hospital

SERIOUS FROM THE ONSET

Condition Grave From First — Decedent Is Survived By His Widow, Son, Two Daughters, Mother, Three Sisters, And a Brother

Clem Pireaux, aged 58 years, a resident of Highland Avenue, Lock Four, died in the Charleroi-Monessen hospital last night at 7:45 from injuries received Tuesday evening, when he was run down by an automobile driven by an unknown autoist.

At 7 o'clock Tuesday night, Mr. Pireaux was crossing the street at Allenwood, directly in front of the residence of William Kline, when he was struck and knocked down by an automobile driven by an unknown in the direction of Monessen. The driver of the machine, after hitting the man, turned off his lights and continued on his way. Mr. Kline, who witnessed the accident, said the man was driving a Ford car, but that he could not identify him, on account of the darkness and the quickness of the man in extinguishing the lights of his car.

When Mr. Pireaux was hurled to the ground, he was taken to the home of Mr. Kline, where he was given first aid, rendered by Mr. Kline and a daughter, and a doctor summoned. He was later removed to the local hospital, where he was found to have suffered two fractured ribs and a punctured lung, besides head injuries. His condition grew steadily worse until his passing last night.

Mr. Pireaux was a well-known building contractor.

There survive his widow, Mrs. Clementine Pireaux; one son, Clement L. Pireaux; two daughters, Miss Zelle Pireaux, at home, and Mrs. Constantine Beckman of Geneva Avenue, North Charleroi; his mother, Mrs. Josephine Marcell of 638 Washington Avenue, Charleroi; three sisters, Mrs. J. H. Bethem, Washington Avenue; Mrs. August Crouton, 908 Lincoln Avenue, and Mrs. Josephine Romain of Weirton, W. Va.; one brother, Mitchell Pireaux, of Cecil, Pa. He was on his way to visit with his sister, Mrs. Crouton, when the fatal accident occurred. Funeral services will be held Monday afternoon at 2 o'clock from his late home in the Charleroi cemetery.

County Loses In Suit Entered For Accident Damages

A verdict against Washington county for \$1,600 was brought in by the jury yesterday afternoon in the case of William P. Caldwell against the county. This was a suit to recover damages for personal injuries alleged to have been received when the Ford roadster went through the Vanvorhis bridge road, Fallowfield township, before daylight on the morning of August 4, 1920.

The defense of the county was that all necessary precautions had been taken after the truck of the Fox Grocery company crashed through the floor of the bridge on June 2, 1920. It was shown in the defense that the county had erected a barricade, but it appears that this had been removed shortly before Mr. Caldwell's accident. The commission had been removed until after the accident.

Oil Burning Unit To Take Coal's Place

Philadelphia, March 8.—(United Press)—City Hall's heating plant is to be transformed into an oil burning unit instead of coal. The change while it will cost approximately \$85,000, officials said.

Not only will the vast quantity of ashes which must be carted away daily be eliminated, but the present force of 35 men can be reduced to only a few, it was said. It now costs about \$125,000 a year to heat the building.

COMPANY TO ERECT A \$2,000,000 STRUCTURE

Lansford, March 8.—(United Press)—The largest breaker in the anthracite field will be erected in Panther Creek Valley this spring by the Lehigh Coal and Navigation Company. Plans have just been completed and work is expected to start within a few weeks. The new structure will cost more than \$2,000,000.

Last night on the home floor the local girls' basketball team defeated the strong Edgewood team with a score of 28-16. It was a fast hard game. At the sound of the referee's whistle starting the game both teams veritably flew at each other, and kept up fierce, aggressive play during the entire game. Edgewood rightly deserves its fame as a strong team, but the spectators saw our girls do the cleverest playing they have displayed in any game this season. The locals showed splendid team work, and dexterity. They played a faster game than they have at any time in the past.

Philline did some very clever playing and was "on" her shooting, making twelve two point field goals and overhands, which count one point. She was off her usual form in foul shooting. She played a very fast game. She was very ably supported by Sonkoly, who has been improving rapidly in every game. Sonkoly made some splendid passes, did clever work in recovering the ball, and kept her guard away from the basket at just the right time. Allsopp and Woodward were at their best in their positions of center and side center. Allsopp did good work in getting the tin off, and both girls did remarkable passing, intercepting the ball when passed by Edgewood, and catching very difficult passes from their own team. The fact that Edgewood got only three field goals speaks eloquently for how well our guards, Wilson and Cratty held their opponents. They both played exceptionally well. They have been doing very creditable work all season, but last night's was beyond a doubt, their best.

The team as a whole played a magnificent game, each girl playing in perfect accord with her teammates. (Continued on Page Two)

DRIVE TO AID THE CHILDREN

The high death rate among children in Donora and the carelessness and indifference of parents in securing medical aid for them when ill, were given consideration at an inquest held at Donora yesterday afternoon by Coroner William Greenlee.

The jury was investigating the old son of Thomas and Mary Trubini, who died Saturday night of pneumonia, following an attack of measles. It developed that the child had been ill for several days but a physician had not been called until Saturday night, the child dying just as he arrived. The jury recommended that the Donora board of health put forth every effort to have the parents educated and urged that a health drive be put on in order to lower death rate among children in the community.

George Mulligan, veteran boxing promoter of Waterbury, Conn., and George Dwyer, Bridgeport promoter, are after a match between Cuddy DeMarco and Louis (Kid) Kaplan of Meriden, Conn., to be staged within the next month. Dwyer would like to land the match for March 31, and Mulligan plans to put in Cuddy against the winner of the Kaplan-Bob Garcia bout, scheduled before his club March 20.

Kaplan and DeMarco recently boxed a 10-round draw in Pittsburgh, with the decision at the finish being protected by the admirers of Kaplan and a return bout is regarded in this section as a big attraction. Kaplan is picked to win over Garcia, who is said to be a draw in Baltimore a few nights ago.

Kaplan plans to make a trip to the Pacific coast shortly for a series of bouts and if he does not meet DeMarco within a month there will be no probability of a clash between them before summer.

RE SCARE AT THE PLATE GLASS COMPANY Last night, 11 o'clock, at the plant of the Pittsburgh Plate Glass company, in its grinding department, a fire broke out. The local department responded, but returned immediately, as the flames were quickly subdued without its offices being necessary.

COOLIDGE IS ASKED RID OF DAUGHTERY

Washington, March 8.—(United Press)—Senator Curtis, of Kansas, Republican, of the Senate, advised President Coolidge to get rid of Attorney General Daugherty.

"Curtis told me that the new President had asked him for some advice about the new duty imposed upon him," Bennett said.

"Curtis said he advised him to get rid of a certain cabinet officer. It was Attorney General Daugherty. He said he told the President that Daugherty was in ill health and that no one would blame him if he changed his attorney general."

President Coolidge replied, according to Bennett, that he did not want Attorney General Daugherty to resign because he had some important cases pending.

CUDDY MAY AGAIN MEET KAPLAN

George Mulligan, veteran boxing promoter of Waterbury, Conn., and George Dwyer, Bridgeport promoter, are after a match between Cuddy DeMarco and Louis (Kid) Kaplan of Meriden, Conn., to be staged within the next month. STREET CAR CREW IS NOT AT FAULT

Mark Elroy Swan, seven years old, son of Mr. and Mrs. George Swan, of Monongahela, died of blood poisoning Thursday night at the Memorial hospital, Monongahela. His death was due to an injury sustained in a coasting accident near his home a week ago.

The 10-year-old boy was coasting in the yard at his home, and in riding down a grade struck his leg against a post that stood nearby. The leg was not broken, and the injury appeared only a slight contusion. Home remedies were applied, and when the leg became inflamed and swollen, a doctor was called and ordered the leg removed to the hospital, where an operation was performed. Faintness developed, causing the boy's passing. Funeral services were to be held this afternoon at 2 o'clock in the Monongahela cemetery.

Four foreigners riding in a car belonging to Victor Beno, of Montour Mine No. 3, of the Pittsburgh Coal company, located along the Library road, were injured yesterday when the machine struck a telephone pole and careened over an embankment. The names of the four injured men could not be secured. Only two required the attention of a physician. One sustained a broken leg and injuries to his head, while the other suffered bruises and cuts about the face and body.

Samuel Franks, of Fallowfield township, suffered a broken hip yesterday when he fell while alighting from a truck on which he was riding to Monongahela. The driver invited Franks to ride from near Bentleyville to Monongahela and the man accepted. As the machine passed down Park Avenue he noticed a friend with whom he wished to talk and asked the truck driver to stop. He was complying with Franks' request and the speed of the machine was slackening to a stop when Franks jumped to the ground from the running board. He fell in some manner, alighting on his hip.

THE ELKS MINSTRELS.
 In the near future the Elks Minstrelsy, an amenity which is being looked forward to with avidity, will be staged at the Palace theatre. Johnny Jenkins and his array of talent are busily engaged in putting on the "finishing" touches of what promises to be one of "the events" of the closing winter season.

Particularly gratifying to those who expect to patronize the "show," is the fact that a number of ladies of the borough and the community will be seen, not in their public debut, but in the role of the "show."

The promoters of the minstrelsy are to be congratulated in their securing of the talent to add to the merit of the affair.

In days gone by minstrelsy was one of the big entertaining features of the country, but it has since been sidetracked, first by vaudeville, and later by the movies; our own so, "where is there a war with our own so dead, who to himself has said, 'I don't love' minstrelsy." Perish the thought.

According to all information received, and in line with former minstrel shows, the performance here will be of a refined nature, and while the end men may spring a few jokes at the expense of local folk, they will not be offensive, but of a nature calculated to popularize the individual in question, or at least no one will be hurt.

The ensemble and vocal numbers will be of merit—in fact the minstrelsy will be highclass in every particular, with orchestral selections and stage settings much after old-time minstrelsy.

EYES AND MEN.
 In spite of Shakespeare's shrewd remark that "one may smile and smile and be a villain" from time out of mind we have been assured that the villain in the play or the novel had eyes that were small, furtive and shifty, or calm, cruel and steel-gray or black, hard and dominating.

Therefore a public that has forgotten Shakespeare and is under the tutelage of the modern romancer would naturally expect one of these sets of disquieting eyes to be possessed by Messrs. Sinclair and Doherty, those supermen of Big Business who, according to the accounts, stop at nothing to gain their ends. Yet here comes Mrs. George Creel with this altogether unexpected description of the famous Doherty. "He had the clearest blue eyes I ever saw, and the most childlike candor, and he fascinated me to the point where I really wanted to write his life as a textbook, as an inspiration to young Americans."

But there was more behind those beautiful, child-like blue eyes. Mr. Creel found later on, as when Mr. Doherty "flew into one of his famous brainstorms and denounced me as an upstart." Mr. Creel's ultimate opinion of Mr. Doherty reads as follows: "He was a man who seemed utterly unable to view anything except in the light of his own desires. What he wanted was right; whatever he was opposed to was the work of one mis and devils." Evidently Shakespeare knew the world better than most of us.

CHARLEROI TEAM DEFEATS EDGEWOOD

(Continued from First Page)
 They handled the ball with surprising ease and facility, and seldom did one of the passes get into the hands of their opponents.

The Edgewood girls played a very commendable game. They are fast players, and pass the ball with skill and assurance. They displayed splendid teamwork. If it is true that a team learns something from every game it plays, then Charleroi will never regret the game with Edgewood.

A return game will be played at Edgewood Tuesday, March 11. It will be the supreme test of our girls if they can beat Edgewood on their own floor they will hold the championship of Western Pennsylvania.

The following program will be carried out at the coming meeting, under the supervision of Scout Executive H. S. Hall.

COLORED MAN IS
TWICE ARRESTED

The Belle Vernon police once again have Samuel Alexander, colored, lodged in jail awaiting a hearing on charges of transporting liquor and stolen articles on a P. & L. E. passenger train. Monday evening Alexander was lodged in the Belle Vernon jail, handed over to the authorities by Detective Mosier of the P. & L. E. railroad.

The evidence showed that Alexander was carrying liquor. He was taken to South Brownsville, and when Detective Mosier returned the following day he found Alexander among the missing, having made his escape from the Belle Vernon jail. Belle Vernon authorities immediately got busy on the case and finally ran down their man in Simpson, a small mining town, near Brownsville. His second arrest was effected Thursday evening.

RELIGION IS TO
BE REVIVED

Of the evangelistic services of the Free Methodist church the pastor comments:

"The revival service is growing in interest, and there is a slight gain in attendance each night. We confidently anticipate a genuine revival of old-time religion before these meetings come to a close. We solicit the hearty cooperation of the Christian people of Charleroi and also your prayers in behalf of lost souls. Would it not be becoming to set aside your former prejudice and attend one or more of these services next week and help to promote a spiritual awakening? I am sure that the evangelist will interest you and God will bless your soul. You that are not saved come and hear the pure undiluted gospel. Service every night at 7:30 o'clock. Brooks McKean, Pastor.

In Society's Realm

The Pollyanna society of Christ Lutheran church, in goodly number, were entertained last night by Mrs. Myrtle Randolph of Monessen, who was assisted as hostess by her mother, Mrs. Albert Dunmire. Prior to the social function proper and during the business period, it was decided to hold a bake sale on March 15, the funds accruing to be devoted for Easter. The evening was spent in sewing. When the society adjourned, it decided to meet in two weeks at the home of Mrs. Anna Thomas, Fallowfield avenue.

Mrs. Shaner R. Blythe entertained at her home in Meadow avenue yesterday afternoon with a bridge party in honor of her house guest, Mrs. T. W. Brand of Pittsburgh. There were three tables in play, Mrs. V. P. Vieslet and Mrs. Frank Kyle of Belle Vernon, being awarded the favors. A dainty luncheon was served by the hostess assisted by Mrs. T. W. Wood, Mrs. Russell Blythe and Mrs. V. P. Vieslet. Those present were as follows: Mrs. A. S. Sickman of North Charleroi, Mrs. J. G. Albright, Mrs. Fred Brady, Mrs. Harold Smith, Mrs. W. C. Hancock, Mrs. S. H. Might, Mrs. L. H. Wood, Mrs. Russell Blythe, Mrs. V. P. Vieslet, all of Charleroi and Mrs. Hazel Claybaugh and Mrs. Kyle of Belle Vernon.

At the home of Mrs. William Paley of Meadow avenue last evening the Merry Members club of Charleroi met in their regular weekly meeting. The immediate members of the club were present and the evening delightfully spent in music and social converse. At 10:30 o'clock the guests were ushered into the dining room, which was tastefully decorated with green trimmings in keeping with St. Patrick's day. Tulips and shamrocks formed a centerpiece for the table. The hostess was assisted in serving the luncheon by Mrs. Martin Hallinean. The next regular meeting of the club will be held at the home of Mrs. Albert Bertouille of North Charleroi, March 13.

CANADA CLAIMS AN
EXPERT MONOPOLY

Winnipeg, Man. (United Press).—Canada will soon have a virtual monopoly of the export trade in wheat from North America, according to Sir Herbert Holt, president of the Royal Bank of Canada, in his annual address to shareholders of the institution.

"Present tendencies in the United States," said Sir Herbert, "indicate that within the next few years the republic will produce only enough wheat for its domestic needs, leaving Canada, already the leading exporter of the world, as the sole exporter of wheat from North America."

"Canada's wheat exports to the world have increased more than 2,000 percent since 1900. In that year the Dominion shipped out 9,359,640 bushels of wheat. In the year ending August 1, 1923, Canada's exports of wheat amounted to 229,881,000 bushels."

MUSICAL HALL CHANGES HANDS

Philadelphia, March 8.—(United Press).—Musical Fund Hall, since 1824 a building familiar to Philadelphians and many visitors from other sections of the state, where many persons famous in music and literature have been heard, will soon be a memory. It has been sold and, it is said, will be razed to make room for a modern structure.

The old hall was made famous when Jenny Lind, "the Swedish Nightingale," thrilled the largest audiences ever assembled there when she gave two concerts in the fall of 1850.

Bayard Taylor and William Thackeray also lectured there at intervals.

The building has been the home of the Musical Fund Society, this organization coming into existence when a movement was started to make Philadelphia the leading musical center of the United States.

A New Vision of Hope

To the family, life looked barren and cold. Widow and youngsters—who would guide them?

Then, when the will was read, the wise forethought of a loving husband and father was seen. Monthly while he lived he had set aside a sum to build up a living trust. And at death, he had made sure all his assets would be safeguarded, by naming this Institution as his executor.

Will your dependents, too, be freed of care and money worries? We'll gladly tell you how it can be done.
